

Trade Advisory - ICD Birgunj, Sirsiya Dryport Revision in Tariff

03rd August 2020

Dear Stakeholder,

In continuation to our previous communication dated 13th July, this Advisory is issued to you with a purpose to provide some further clarifications and updates regarding the commercial relationship that our company will be having with you.

- [Contact Details](#)

Commencement of Operations

We would want to re-iterate that we shall be taking over the Operations of ICD Birgunj w.e.f **7th August, 2020**.

Tariff

It is important to note that the extant tariff of ICD Birgunj, shall be increased by 10% as per the Tariff determined by Nepal Intermodal Transport Development Board (the regulators of ICDs in Nepal). The updated tariff schedule will be available on our website shortly. We shall also be sharing the updated tariff directly with you, very shortly.
